

## ET109-004

### Drain Line Adapter (DLA) with 7/8-inch Barb Fitting for Dishwasher or Water Softener

#### Features:

- Comes with all the fittings and instructions needed for installation
- Resists clogging for life long trouble-free operation
- Connects a dishwasher or water softener to the drain
- No drilling into wet pipes
- UPC® Listed, IPC® and NSF® tested, ASTM F 409 compliant

#### General Description:

The ET109-004 drain line adapter is designed to connect the discharge hose from a dishwasher or water softener with disposal to the drainpipe. The ET109-004 converts the plumbing of a single sink with a garbage disposal to receive the reject water from a dishwasher or water softener.

The ET109-004 is commonly used in condominiums, apartments, and cottages and is a preferred way to connect a dishwasher or water softener to the drain line. The ET109-004 provides a safe and effective way to comply with local plumbing codes.

The ET109-004 dishwasher/water softener drain adapter is listed by UPC and tested for compliance with IPC and NSF standards.

#### Mechanical Specifications:

- Width: 6 inches
- Height: 9 inches

#### Accessories (included):
