

ET170-020

1/2-inch FPT X 1/2-inch Schedule 40 PVC Slip Adapter

Features:

- PVC adapter consisting of two female ends
- Female threaded inlet accommodates 1/2-inch MIPT threaded tubing adapters from AirGap International
- Outlet designed with a 1/2-inch ID slip
- Outlet connects to a 1/2-inch PVC slip that is on the inlets of the AG100-001, AG130-001, and AG140-XXX air gaps
- Material meets ANSI/NSF-51, 61 requirements

General Description:

The ET170-020 Schedule 40 PVC Slip x FPT coupling adapter is used to create a female pipe thread connection for ET170 series adapters. The adapter consists of two female ends. The inlet is threaded (1/2-inch FPT) and the outlet is a 1/2-inch slip joint. The slip outlet fits into the AG100-001, AG130-001, AG140-001, and AG140-002 air gaps inlet. Slip connections may require primer/glue to securely attach to the air gap.

The ET170-020 works best in conjunction with ET170 adapters and is designed to provide multitude of connection options. The ET170-020 is ideal to use with water softeners, iron filters, reverse osmosis filters, and boiler overflow.

Mechanical Specifications:

- Outside diameter: 1-1/8 inches
- Height: 1-1/2 inches
- Weight: 17 grams (0.6 ounce)
- Temperature range: -9 °F to 150 °F (66 °C)
- Pressure: 125 psi @ 70 °F

Inlet/Outlet Specifications:

- Inlet (FPT thread): 1/2-inch
- Outlet (Slip joint): 1/2-inch ID

Material

- Body: Polyvinyl chloride
