CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

AIR GAP INTERNATIONAL, A DIVISION OF ALTINEX INC.

500 JEFFERSON STREET PLACENTIA, CA 92870 , United States

Identification:

Manufacturer's name or trademark, model number, critical level marking, and the UPC® certification mark shall be marked permanently on each unit.

Characteristics:

Airgap fittings to permit the discharge of water treatment backwash, blowdown, condensate or other places where the discharge of waste may require a listed airgap. They may be mounted on a kitchen countertop, a clotheswasher standpipe, inside a washing machine outlet box, or on the cabinet or adjacent wall of an (RO) water cooler or vending machine. To be installed in accordance with the manufacturer's instructions and the provisions of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
